

Employee Owned

Thrifty White Pharmacy is owned 100% by the employees. There are no outside shareholders that own stock in the company. Thrifty White Pharmacy believes its greatest asset is loyal, hard-working people who cooperate in a spirit of teamwork to help the company grow and prosper. This means that the employees that live and work in Sandstone are owners in the company. This unique ownership insures that the pharmacy in town will continue to be locally owned and operated. Our goal is to be the drug store of choice; to be the best pharmacy in each town where we operate.

Innovation that makes a difference!

Thrifty White has been named the national “Pharmacy Innovator of the Year” three times in the last 5 years for the cutting edge services we provide to our patients. Thrifty White was a national leader in developing a Medication Synchronization program that coordinates all of your maintenance medications to be filled on one day each month. Not only is this convenient, but it also dramatically improves your adherence to the medications your doctor prescribes and saves money on overall health care by avoiding extra doctor visits, hospitalizations and emergency room visits. Thrifty White ranks at the very top of many of the Star Rating measures that the Medicare program uses to rate a pharmacy’s performance.

Unique Services

Thrifty White is able to fill most of the new specialty and biologic drugs. If you have a prescription for one of these drugs please stop in to see us. Thrifty White Pharmacy has contracts with most insurance companies and should be able to fill your prescription even if the insurance hasn’t been accepted in the past. Let the store personnel know

which insurance plan you would like to use and we will look into contracting with that provider.

History and Locations

The company has been in business since 1884 and has always operated pharmacies in communities similar to Sandstone throughout Minnesota, North Dakota, Wisconsin, Iowa and Montana. Besides Sandstone, other surrounding Thrifty White stores are located in Moose Lake, Hinckley, Forest Lake, Milaca, Cloquet and many other towns in rural Minnesota. All of the prescription records from the pharmacy in Sandstone are available to our pharmacists in all other Thrifty White stores if you need a prescription filled while traveling.

Thrifty White Pharmacy is very excited to build and expand in Sandstone and looks forward to continuing to provide for the health care needs of the community as we have in the past.

Please see our website — www.thriftywhite.com for more details about the services we offer.
